(the Purchaser) will, among other things, acquire all of the issued and outstanding Shares and in return Shareholders will receive, for each Share held, 0.0831 of one share (UEC Share) of Uranium Energy Corp. (UEC) as consideration (the Consideration). The Consideration implies a price of approximately USD0.43 per Share and a premium of approximately 50 percent based on the closing price of the Shares and the UEC Shares on the Toronto Stock Exchange (the TSX) and the NYSE American Exchange, respectively, and the USD:CAD exchange rate as published by the Bank of Canada on June 10, 2022, the last trading day prior to announcement of the proposed Arrangement. In connection with the Arrangement, Shareholders will also be asked to approve a reduction in the stated capital of the Shares so that UEX may use the Arrangement provisions contained in the CBCA. . The completion of the Arrangement will require approval of at least (i) 66 2/3 percent of the votes cast by Shareholders at the Meeting, and (ii) 66 2/3 percent of the votes cast by the Securityholders at the Meeting, voting together as a single class. . |                                                                |                    |                                                                    |                                          |                    |                           |              |                 |                               |                           |

(the Purchaser) will, among other things, acquire all of the issued and outstanding Shares and in return Shareholders will receive, for each Share held, 0.0831 of one share (UEC Share) of Uranium Energy Corp. (UEC) as consideration (the Consideration). The Consideration implies a price of approximately USD0.43 per Share and a premium of approximately 50 percent based on the closing price of the Shares and the UEC Shares on the Toronto Stock Exchange (the TSX) and the NYSE American Exchange, respectively, and the USD:CAD exchange rate as published by the Bank of Canada on June 10, 2022, the last trading day prior to announcement of the proposed Arrangement. In connection with the Arrangement, Shareholders will also be asked to approve a reduction in the stated capital of the Shares so that UEX may use the Arrangement provisions contained in the CBCA. . The completion of the Arrangement will require approval of at least (i) 66 2/3 percent of the votes cast by Shareholders at the Meeting, and (ii) 66 2/3 percent of the votes cast by the Securityholders at the Meeting, voting together as a single class. . |                                                     |                      |                               |                                          |                    |                           |              |                 |                               |                           |
